-The Leader in Innovative, Affordable, Stylish and Lightweight Luggage since 1919-

Boca Raton, Fla., – June 23, 2014 – Atlantic® brand luggage, part of the Travelpro® family of brands and a market leader in affordable, lightweight luggage since 1919, is pleased to launch the new **Atlantic Solstice®** collection, designed for the traveler with a flair for fashion.

The Atlantic Solstice collection is a unique trio of Dual-Wheel Spinner models that combine the very best of today's fashion with lightweight design and durability, said Scott Applebee, Vice President of Marketing for the Travelpro and the Atlantic Luggage brands. This versatile collection is ideal as a gift this summer for female teenagers, students and professionals, who love to travel.

Complete with a 360 degree Dual-Wheel Spinner system, the Atlantic Solstice® collection rolls effortlessly in all directions, making it easy to maneuver through airport check-in lines and airplane aisles. The smooth-action and aluminum telescoping handle system has two extension stops that help ensure a comfortable roll for travelers of various heights.

The Atlantic Solstice collection comes in three sizes, including a 20" expandable carry-on Spinner and 24" and 28" expandable Spinners, each outfitted with multiple pockets to help organize your last minute items and make travel fun. Solstice's durable stylish case resists abrasions and is built to absorb shock during every day travel, providing protection for your possessions. Available in fashionable and eye-catching bubblegum pink, orange sherbet, blueberry or grape, the Atlantic Solstice collection is backed by a 10-year limited warranty, ensuring that the luggage is free from defects in materials and workmanship.
