**FOR IMMEDIATE RELEASE:**

**Atlantic® Luggage Debuts the Amazingly Innovative  
Unite™ 2 Collection to Much Acclaim**

*-Unique Features Offer Travelers the Ultimate in Convenience, Style, and Value-*

**Boca Raton, FL – December 1, 2015** – Get ready for family travel with the newest offering from the market leader in lightweight, affordable luggage, Atlantic®, where, as they say “Life is a Trip!” The Unite™ 2 collection will make your imagination take flight with design innovations such as the Link2Go™ System which connects luggage together, so you can easily push two pieces with one hand.

This system gives traveling families the option to roll more pieces, more easily by connecting luggage together, allowing you to roll through busy airports with much less effort. The Atlantic Unite 2 collection with the updated Link2Go system is a unique way to attach two attractive Spinner models together. It couldn't be easier. Just connect the Spinners back-to-back with the side Velcro straps and you're ready to go. In addition, you can roll up to four pieces at once using a combination of a quick loop on the back of the carry-on models and the Link2Go system.

But the exciting new features don't stop there. How convenient would it be to charge your smart phone or tablet while traveling? Atlantic has solved that problem with the addition of an external USB port and integrated battery pouch in the Carry-on Spinner model which provides convenient access to power electronic essentials on the move. Masterfully versatile and lightweight, the affordable Unite 2 is perfect for family travelers who need an extra hand and electronic devices that are always charged for immediate use.

“This stylish collection is value packed in every component, including tapered expansion which adds up to 2” of room while increasing stability, durable crash protection, and 360 degree spinners which roll effortlessly,” said Scott Applebee, Vice President of Marketing for the Travelpro® family of brands which includes Atlantic luggage.

Pleasing even the most demanding customer are additional features such as multi-stop telescoping handles, low-profile carry handles, and a mesh lid pocket that provides handy space to keep shirts and blouses wrinkle-free. The Atlantic Unite 2 Collection also includes adjustable hold down straps, a side mesh pocket, and a built-in wet pocket, perfect for storing toiletries or wet clothing. In keeping with Atlantic's commitment to quality, the Collection comes with a 10-year warranty.

Available in black and blue fabric colors, the Unite 2 Collection consists of a soft tote, wheeled tote and 21”, 25” and 29” expandable Spinners.

For additional information on the Unite 2 Collection or any other of Atlantic's expansive lines of luggage, please contact [mario@gohrmc.com](mailto:mario@gohrmc.com) or call 305-573-0882.
